<b>Job Title:</b>	Cutting Machine Operator
<b>Area:</b>	Production
<b>Department:</b>	Cutting
<b>Reports To:</b>	Head of Production
<b>FLSA Status:</b>	Nonexempt, Full-time
<b>Schedule:</b>	Monday through Friday, 7:00am to 3:30pm
<b>Pay Rate:</b>	\$18.00-\$22.00 per hour

## **Position Overview:**

The Cutting Machine Operator is responsible for operating and maintaining fabric and vinyl cutting machines to produce high-quality, accurate products. The ideal candidate will have a strong understanding of cutting processes and equipment, as well as a basic knowledge of different fabrics and vinyl.

## **Essential Duties and Qualifications:**

- Set up and operate cutting machines (Rosenthal, Polar, and Kolbus) to cut various types of vinyl and cover materials.
- Review work orders and job specifications to determine components, settings, and adjustments for cutting machines.
- Adhere to cutting instruction manuals to produce accurate and consistent results, updating when necessary.
- Examine and inspect materials both before and after the cutting processes to ensure quality and accuracy.
- Perform routine and preventative machine maintenance including troubleshooting.
- Manage and submit department inventory levels of both raw materials and WIP goods to purchasing agent.
- Ensure the department work area is clean and organized, while complying with all safety procedures and regulations.
- Respond to daily needs of various departments and other project-based requests as needed.

## **Education & Relevant Experience:**

- High school diploma or equivalent required.
- 1+ years of experience operating cutting machines required, with leadership experience preferred.
- Ability to read and follow complex cutting instructions.
- Ability to set up, operate, and maintain cutting machines safely and efficiently.
- Strong attention to detail and accuracy.
- Ability to communicate updates to team members effectively.
- Capacity to work independently and alongside a team.
